ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA,

18th March, 1898.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR
IN COUNCIL.

THE Committee of Council has had before them an application from Mr. J. Wyatt Vaughan on behalf of the undermentioned Companies, for an extension of time to complete their assessment work and permission to have the cost of surveys counted as work done on the claims mentioned.

The Fire Gold Mining Company, owners of the Neptune, Money Spinner, Midas, Free Gold, Star and Princess, mineral claims;

The Fire Lake-Gold Mines Company, owners of the March, Crown Point, Morning, Snow Shoe, Wild Horse, Noon Day, Hard Scrabble and Sun Dog, mineral claims;

The Telluride Gold Mining Company, owners of the Wonderful, Baby, Tellurium and Gold Queen, mineral claims;

The Gold Range Exploring and Mining Company, owners of the Blue Bell, Tepella, Dividend, Sultan, Rustler, St. Alice, Chancery, Fire Fly, Indian Chief, Echoe and Dandy, mineral claims.

The Minister of Mines remarks that the Companies have already expended large sums of money on the development of their various claims, and that the cause of the delay in the surveys of these claims was due to a conflict of opinion between the Survey Department and the Companies' Surveyor as to the interpretation of the “Mineral Act.”

The Committee, after consideration of the matter in question, as represented by the agent for the applicants, advise that an extension of time for a period of six months from the 20th March, 1898, for the purpose, be granted, also that permission be given for the cost of the surveys to count as part of such assessment work.

The Committee submit the aforesaid for Your Honour's approval.

JAMES BAKER,
Clerk, Executive Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of December, 1897.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Report, dated 8th December, 1897, from the Minister of the Interior, stating that he has had under consideration a Minute of the Executive Council of British Columbia, hereto attached, approved by the Lieutenant-Governor on the 30th October, 1897, which embodies an agreement arrived at between that Government and Mr. T. G. Rothwell and Mr. J. A. J. McKenna, who, as his representatives, were authorised to enter upon negotiations with the Government of British Columbia with a view to obtaining a settlement of certain questions as to the administration of lands in the Railway Belt upon the Mainland of British Columbia.

The Minister further states that he has had before him the record of the negotiations conducted with the Government of British Columbia by Messrs. Rothwell and McKenna, together with their report, in which they certify that the agreement set forth in the British Columbia Minute of Council under consideration fully and substantially embodies the proposals submitted by them and agreed to by that Government.

The Minister considers that the agreement will remove the difficulties which have impeded the administration of lands in the Railway Belt, and admit of their being satisfactorily dealt with in the future; and he, therefore, concurs in the same and recommends that the agreement be approved.

The Committee advise that a certified copy of this Minute, if approved, be forwarded to the Lieutenant-Governor of British Columbia for the information of his Government.

JOHN J. MCGEE,
Clerk of the Privy Council.

PROVINCE OF BRITISH COLUMBIA.

Certified Copy of a Report of a Committee of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 30th day of October, 1897.

The Committee of Council have had under consideration certain proposals submitted by Mr. T. G. Rothwell and Mr. J. A. J. McKenna, acting herein on behalf of the Honourable the Minister of the Interior, directed towards the settlement of certain questions of administration of the lands within the Railway Belt upon the Mainland of the Province, which proposals are embodied in a communication from Mr. Rothwell to the Honourable the Premier, dated the 22nd October, instant, and are therein stated to be

subject to the concurrence of the Minister of the Interior.

The proposals as therein contained, with certain modifications and additions which have been agreed to, are as follows:—

The agreement arrived at by the Governments of the Province of British Columbia and of the Dominion of Canada, as embodied in the Federal Order in Council of the 29th March, 1895, and the Provincial Order in Council of the 5th December, 1895, passed under Chapter 4 of the Dominion Statutes of 1895 and of the Provincial Act known as "The Railway Belt Act, 1895," respectively, should be amended as follows:—

1. The 19th of December, 1883, being the date upon which the Provincial Act, Chap. 14, 47 Victoria, was assented to, shall be taken to be the date of the transfer by the Province to the Dominion of the lands mentioned in Section 2 of the said Chapter 14 of 47 Victoria, as being thereby granted to the Dominion Government for the purpose of constructing and to aid in the construction of the Canadian Pacific Railway on the Mainland of British Columbia.

2. From the tract of lands so transferred shall be reserved all lands granted by the Province, on or before the date above mentioned, the 19th December, 1883, and all lands covered by pre-emption entry at that date; and all such lands so granted or pre-empted shall be held to have remained under the control of the Province; provided that all lands covered by pre-emption entry which were abandoned by the pre-emptor or cancelled prior to the said date shall be regarded as having passed to the Dominion; and all lands covered by pre-emption entry which were abandoned by the pre-emptor or cancelled after that date shall be deemed to belong to the Province.

3. From the said tract of lands so transferred on the 19th December, 1883, shall also be reserved all lands covered at that date by sales actually made or by applications to purchase on account of which moneys had been paid to the Province; and all lands so covered shall be held to have been under the control of the Province; provided that all lands so covered of which the sales had been cancelled prior to the said date, or for which the applications lapsed prior to the said date for non-fulfilment of the conditions subject to which such applications were accepted, shall be regarded as having passed to the Dominion; and that all lands so covered of which the sales were abandoned after the said date, or for which the applications lapsed after the said date, shall be deemed to belong to the Province.

4. Nothing contained in the next preceding paragraph shall be held to affect, alter or amend so much of the agreement arrived at and embodied in the said Orders in Council of the 29th March, 1895, and 5th December, 1895, as is contained in the paragraph numbered 3 thereof, respectively, or to affect, vary, change, or interfere with any pre-emptions granted by the Dominion or with any sales or other alienations by the Dominion of any of the land to which the said next preceding paragraph hereof relates, which pre-emptions, sales or other alienations (if any) shall be held to be valid and in full force and effect.

5. If upon examination of the copies of field notes, plans, applications and other documents which have been made for or furnished to the Department of the Interior from the originals of record in the Department of the Chief Commissioner of Lands and Works, or other Departments, or offices of the Province, it be found that the same are in any respect incomplete, the Chief Commissioner will cause to be furnished to the Department of the Interior upon specific application therefor being made to him, in each instance, such further information in the possession of the Province as may be necessary to ensure identification of any lands in the Belt alienated by the Province.

6. The title to any lands which upon the completion of the survey of the boundaries of the Belt, or of any portion thereof, have been found to have been alienated by the Province under the belief that they were outside of the Belt, but which are ascertained by such survey to be within the boundaries of the Belt, shall be confirmed by the Dominion upon receipt from the Province of the purchase money therefor; and the title to any lands which upon the completion of the survey of the boundaries of the Belt, or of any portion thereof, have been found to have been alienated by the Dominion under the belief that they were within the Belt, but which are ascertained by such survey to be outside the boundaries of the Belt, shall be confirmed by the Province upon receipt from the Dominion of the purchase money therefor.

7. Surveys of any of the said lands which have been made under the authority of the Province shall be accepted by the Dominion: Provided that copies of the plans and field notes of such surveys which have not yet been furnished to the Department of the Interior shall be furnished that Department within 6 months after application has been made therefor. Any surveys of such of the said lands as are now unsurveyed which may hereafter be made under the authority of the Province shall be accepted by the Dominion: Provided that copies of the plans and field notes of such surveys shall be furnished to the Department of the Interior within 6 months after the receipt thereof by the Department of Lands and Works of the Province. Any Surveyor employed by the Dominion shall be authorised to survey such of the boundaries of the said lands as he may find unsurveyed and the Province shall accept such survey: Provided that copies of the plans and field notes of such survey shall be furnished to the Department of the Interior. Surveys of the said lands, whether made under the authority of the Dominion or of the Province, shall be subject to the correction of any gross error that may be discovered therein.

8. The information furnished by the Department of the Interior for the purpose of securing Provincial registration of Dominion patents of lands in the Belt being now regarded as sufficient, and application under the Provincial "Land Registry Act" being all that is required to ensure the registration of such patents, it is agreed that the Minister of the Interior shall cause to be furnished to the Registrar-General of the Province a statement giving the names of all Dominion Patentees to whom patents have been issued up to the date of this agreement, a short description of the lands patented and if necessary a map identifying the locality and such other particulars as will afford the Registrar-General the necessary information to furnish each Patentee with a printed form of the application herein above referred to; and the Minister of the Interior shall thereafter continue to cause to be furnished to the Registrar-General upon the issue of each Patent after the date of this agreement, a notice containing like information thereof to that above mentioned.

9. None of the releases referred to in paragraph number 3 of the aforesaid Orders in Council of the 29th March, 1895, and 5th December, 1895, respectively, having yet been tendered to the Dominion Government for acceptance, and it being in the public interest that the cases referred to in the said paragraph shall not remain indefinitely unsettled, it is agreed that, at the expiration of one year from the first day of January next, any lands covered by the said agreement for which releases have not been tendered to the Dominion Government for acceptance shall cease to be subject to such agreement and may be disposed of in such manner as the Minister of the Interior may deem advisable: Provided that if any of the persons by whom any of the releases above referred to should be executed, is dead or shall die during said period of one year, or if any of such persons, or the heir, executor, administrator or assign of any person so deceased, or of any other person legally entitled to execute any of the releases referred to in the said paragraph numbered 3 of the said Orders in Council of the 29th March, 1895, and 5th December, 1895, respectively, shall by reason of any disability, such as infancy, idiocy or lunacy, be incapable of executing the same the said period of one year may be extended by the Minister of the Interior for such additional time as to him may appear just and reasonable under the circumstances of each case, to be set forth in a statement to be filed in the Department of the Interior, at Ottawa, on or before the expiration of the said year. It is agreed that upon the receipt by the Department of the Interior of any of the releases referred to in this paragraph duly executed by the person entitled to execute the same, he shall receive from the Dominion Letters Patent, in the form of the Letters Patent which would have been issued had application therefor been made to the Dominion, and such Letters Patent issued at the date of the grant from the Province through which title was claimed.

10. As it appears that persons other than those against whom action was taken, as stated in the said Orders in Council of the 29th March, 1895, and the 5th December, 1895, respectively, received Crown grants about the same time as the persons last aforesaid, and are in the same position, it is agreed that

paragraph 3 of the said orders, and paragraph 9 of this agreement shall apply to the persons named in the list or schedule hereunto attached in the same manner and to the same extent as they respectively apply to the persons named in the said paragraph 3.

The Committee advise that the proposals as above set out be accepted, and that a copy of this minute (if approved) be transmitted to the Honourable the Secretary of State of Canada for submission by the Honourable the Minister of the Interior, if the agreement herein set out is concurred in by him, to His Excellency the Governor-General in Council for approval.

(Signed) JAMES BAKER,
Clerk, Executive Council.
